Ekwalla, Deido - Douala

Dear collaborators, partners

As a committed actor in the transformation of our society, Makrea Enterprises strives to provide strategic and operational support to projects that promote development, education, and a positive societal impact. Inspired by our mission to actively contribute to the advancement of communities and education for all, we reaffirm our commitment to sustainable and inclusive development.

Our Commitments:

- › **Support for educational and community actors:** We work closely with public actors, municipalities, associations, and educational services to strengthen their capacity to generate a sustainable positive societal impact.
- › **Innovation and collaboration:** We are committed to developing and implementing innovative solutions that address the educational and developmental challenges of our time, encouraging collaboration between different sectors.
- › **Sustainable impact:** Our goal is to create a sustainable impact by integrating the principles of sustainable development into all our projects, ensuring they are economically viable, socially inclusive, and environmentally respectful.
- › **Education for all:** We strive to make education accessible to everyone, particularly in underdeveloped or hard-to-reach regions, using technology and innovation to overcome barriers to learning.
- › **Strategic partnerships:** We will establish and strengthen partnerships with organizations that share our vision of sustainable development and education for all, to maximize our collective impact.
- › **Transparency and accountability:** We commit to act with integrity, transparency, and accountability in all our actions, establishing monitoring and evaluation mechanisms to measure the impact of our projects.

By committing to these principles, Makrea Enterprises aspires to play a catalytic role in the transformation of our society, offering support that goes beyond conventional solutions to address the current and future challenges of development and education.

We are convinced that through our commitment and collaboration with like-minded partners, we can help build a more sustainable and educational future for all.

With our best regards,

Hermann Makoundy
Chief Executive Officer
